

TRAIN TO GAIN FUNDING FOR FUNDRAISING QUALIFICATIONS!

Train to Gain is the national skills service that support employers of all sizes and in all sectors like you to improve the skills of your employees as a route to improving your business performance.

Sports clubs, schools and charities are all eligible organisations and "employees" can mean volunteers as well as full- or part-time paid staff. For more info on **Train to Gain** www.traintogain.gov.uk

Bursaries may be available as Train to Gain also fund bespoke or other specialist courses such as our Level 3 Certificates lead to a formal qualification.

For more information and to access to advise, please contact your local Train to Gain broker to discuss **Leadership & Management Training for Staff & Volunteers (Director Development Programme in the West Mids)**

- Available to organisations with 5-249 employees.
- Offer is to senior managers (those who are engaged in strategic decisions).
- £500 is available with no strings attached
- Interested leaders and managers will be asked to discuss their leadership and management requirements with a Skills Advisor, which will generate a personal development plan.
- If the organisation requires more than £500 it must be match funded by the organisation
- It is a brilliant offer for managers (senior volunteers), particularly in respect of being able to use the £500 to fund short accredited courses

Next steps

- 1) To check whether you are eligible phone **Train to Gain on 0800 015 55 45** and ask for your Train to Gain broker
